Ingredients

1 roll of pizza dough
(about 400 g)
150 g mozzarella, grated
or finely diced
100 g salami, diced
200 ml ORO di Parma
Passata Rustica
optional
1 tsp dried oregano
1 tbsp grated Parmesan
a little fresh basil for
serving

Note on quantity: The
700-ml bottle of ORO di
Parma Passata Rustica is
enough for several
recipes. This recipe calls
for about 200 ml.

Step 1: Prepare the pizza dough

Roll out the pizza dough and cut it into 8 equal-sized squares.
Gently press the squares into a greased muffin pan to form
small wells.

Step 2: Filling Pizza Muffins

Place about 1 tablespoon of ORO di Parma Passata Rustica
into each indentation in the dough. Then scatter the diced
salami and mozzarella on top. Season with oregano to taste.

Step 3: Bake and serve

Bake the pizza muffins in a preheated oven at 180 °C (top and
bottom heat) or in an AirFryer at 180 °C for about 10 minutes,
until the cheese has melted and the edges are golden brown.
Let them cool briefly and serve with Parmesan or fresh basil,
as desired.
